### **Cautionary Statement regarding Forward-Looking Statements**

This announcement may contain forward-looking statements. Forward-looking statements are statements that are not historical facts, including (but not limited to) statements expressing or implying Algarve International B.V.’s beliefs, expectations, intentions, forecasts, estimates or predictions (and the assumptions underlying them).

Forward-looking statements necessarily involve risks and uncertainties. The actual future results and situations may therefore differ materially from those expressed or implied in any forward-looking statements. Such differences may be caused by various factors (including, but not limited to, developments in the toll road industry and related markets, currency risks and unexpected operational setbacks).

Any forward-looking statements contained in this announcement are based on information currently available to Algarve International B.V.’s management. Algarve International B.V. assumes no obligation to in each case make a public announcement if there are changes in that information or if there are otherwise changes or developments in respect of the forward-looking statements in this announcement.
